Join Sutter Health, the River Cats, your local students and the community as we transform Foothill High School’s varsity baseball field from a mass of weeds, rotting wood, and vandalism into a field of dreams!

Foothill High School was selected for this project because of its goal of developing the “whole student” by directing their focus on academics, athletics, and building of individual character. This Sutter Health-supported community benefit project provides the opportunity to extend community health beyond the walls of the hospitals and physician offices. You can help keep the community of North Highlands’ kids safe and healthy by pitching in...

Where:
Foothill High School
5000 McCloud Drive
Sacramento, CA 95842
(916) 566-3445

When:
Saturday, March 3, 2012
8:00 AM -12 PM
(Rain or Shine!)

What to bring:
Work clothes that can get dirty
Closed-toe shoes
Work gloves
Some tools and supplies will be provided

Project-area leaders will provide expertise and direction for the volunteers in one of these areas:

- Installing poly cap on the outfield fence
- Painting Projects
- Installing wind screen
- General grounds keeping
- Dugout and batting cage maintenance
- Softball Field beautification
- Much much more!

A confirmation email with details will be sent to you prior to February 27th. Friends and family are welcome to join in the fun, but please let us know in advance how many others plan to join you.

Thank you for your participation in this wonderful project to help keep kids safe and healthy!

DEADLINE TO REGISTER: FEBRUARY 24TH
