HALLOWEEN SAFETY TIPS

➤ Talk with your children about pedestrian safety before going out trick or treating

➤ Carry glow sticks or flashlights so you are visible to other vehicles

➤ Utilize reflective materials on your child’s costume or bags to ensure that they are seen

➤ Emphasize safe pedestrian behaviors by crossing only at crosswalks, and walking on the sidewalk not in the street

➤ Always look left, then right, and left again when crossing the street

➤ Always walk across the street - DO NOT run

➤ Always cross the street with an adult

➤ Never eat your candy until it is inspected by an adult

➤ Avoid wearing masks that reduce your ability to see clearly - a safe alternative is face paint or make-up

➤ Avoid carrying sticks, swords, or any sharp object that could be dangerous to you or your friends

➤ Never enter someone’s house when you are trick or treating
